Subject: Deficient Amended Notice of Intention to Commence Small Mining Operations, Wellman Minerals Corporation, Brown Rock 7/Rocking Chair, S/045/0055, Tooele County, Utah

Dear Mr. Bennett:

The Division of Oil, Gas and Mining has reviewed the referenced amended Notice of Intention to Commence Small Mining Operations (NOI) received January 20, 2015, and the following items will need to be addressed before the amended NOI can be determined complete:

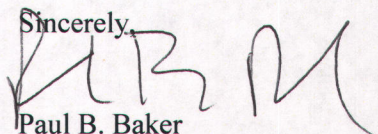

1. Please submit replacement pages for the address change (pages 1 and 2 of the NOI)

The amendment modifies the location of the disturbed area but does not change the amount of disturbance.

The current reclamation bond is held by the BLM in the amount of \$8540.00. The Division will need to obtain concurrence from the Bureau of Land Management for the reclamation surety amount. The acceptance of the amended NOI does not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations.

Please respond by providing replacement pages for the original NOI, using Form MR-REV-SMO/EXP, available on the Division's web site at www.ogm.utah.gov. Please call Leslie Heppler at 801-538-5257 or me at 801-538-5261 if you have questions about this letter. In reply, please refer to file number S/045/0055. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
